## RETAIL CATALOG

SPRING 1954

Lehigh Valley Nurseries Inc.

Nazareth Pike Route 12

Bethlehem, Penna.

Ph. UN 6-5551

This catalog is presented for the sole purpose of making known at least a part of the large variety of nursery stock we have available. It should be remembered that any plant at a certain size and price may vary greatly in quality and thus in value. For example a forsythia 2-3' at \$1.00 may have one or two stems and little root, whereas another 2-3' at \$2.00 may have four or five times as much top development and root growth. Attention is called to this to emphasize that the only way to be sure of true value is to see the plant material before buying.

To make your selection easier we have arranged most of our stock for sale in display beds, plainly marked with prices and descriptions. Our "READY-PAKT" plants have been dug while still dormant to prevent shock from digging when planting time arrives. For your convenience we have most of this material burlapped or put into tar paper pots ready for your pick-up and recommended for planting with container and all. This makes for quick shopping and easy and safe planting.

Material is listed with common name first and botanical name in parentheses. Figure behind name (2', 6', etc.) means expected height not considering pruning practices. Symbols in left hand margin are as follows: Sh - good in shade; H-Sh - good in half-shade; those not marked would like a sunny exposure. On same line as sizes, "B&B" means dug with ball of earth and burlapped: "pots" means in tar paper pots.

(Please read page 12)

## EVERGREENS

Andromeda ( <i>Pieris japonica</i> )	5'
Sh	Graceful, broad-leaved upright grower with white beady flowers in early spring.
12-15"	B&B 4.50

Double, 15 petals, light rose  
flowers; dark green, glossy  
leaves; broad habit

5-6' B&B 12.50

Pink (adstringens)

Pink flowers; vigorous grow-  
er

6-7' pots 6.50

Flowering plum (prunus Othello)

Purple leaf plum keeps its  
maroon leaf all summer; light  
pink flowers, no fruit

4-5' pots 3.50

## FLOWERING and ORNAMENTAL TREES

Japanese dwarf red maple (*acer palmatum atropurpureum*)

Priced according to size

7.50 to 15.00

Magnolia pink saucer (*magnolia soulangea*)

Pink saucer-shaped flowers in

May 25'

2-3' B&B 6.00-8.00

3-4' B&B 10.50

4-5' B&B 15.00

Magnolia dark purple (*magnolia nigra*)

Deep purple lily-shaped flowers

in late May 15'

3-4' B&B 15.00

Mountain Ash (*sorbus aucuparia*)

6-8' B&B 8.00

8-10' B&B 10.00

## SHADE TREES

Birch - Cutleaf weeping (*betula alba laciniata*)

Graceful weeping habit, white bark;  
lawn can be grown beneath it

6-8' pots 7.00

8-10' pots 10.50

Clump - multiple stems, white bark

Priced according to plant

Locust-Moraine (*gleditsia triacanthos inermis*)

New thornless and seedless honey  
locust; quick grower, filtered  
sunlight allowing lawn to grow  
beneath

5-6' pots 5.50

Maple Norway (*acer platanoides*)

Standard street tree, round head-  
ed

Limited supply in large sizes  
only.

## SHADE TREES

Maple Red swamp (*acer rubrum*)

Special budded strain; reddish  
leaves in the fall

8-9'	12.50
------	-------

Plane or sycamore, oriental  
(*plantanus orientalis*)

Most popular shade tree because  
of quick growth and good shape  
does not usually surface root.

1½-2" trunk dia.	15.00
------------------	-------

2-2½" " "	20.00
-----------	-------

## AZALEAS

Kaempferi Varieties

Upright, very hardy, strong growers

Atlanta - deep orchid

12-15" B&B	3.50
------------	------

15-18" B&B	4.50
------------	------

Brick Red - bright orange red

12-15" B&B	4.00
------------	------

15-18" B&B	5.00
------------	------

Fedora - deep pink

15-18" B&B	4.50
------------	------

18-24" B&B	5.50
------------	------

Othello - salmon red

15-18" B&B	4.50
------------	------

Palestrina - clear white

8-10" B&B	2.50
-----------	------

10-12" B&B	3.50
------------	------

Kurume Varieties -

Spreading, low habit, better plant-  
ed on area protected from strong  
winds.

Hinodegiri-most popular azalea  
bright red

8-10" B&B	2.25
-----------	------

10-12" B&B	3.25
------------	------

12-15" B&B	4.50
------------	------

Sweetbriar - good pink almost  
evergreen

10-12" B&B	3.50
------------	------

## Mollis Varieties (Chinese)

Hardy deciduous (loses leaves  
in winter)

Named varieties - white, orange,  
yellow, red, etc.

15"	B&B	5.00
-----	-----	------

Mixed Mollis B&B	3.00-5.00
------------------	-----------

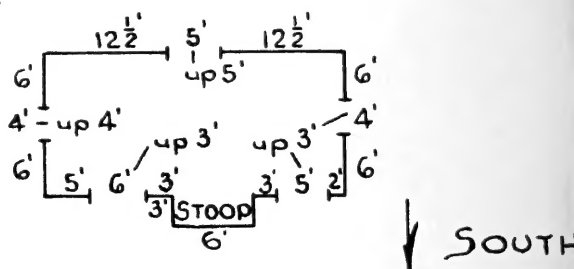

## ROSES

We offer Conard-Pyle potted roses  
in new and old favorites. Roses  
arrive about May 10, budded and  
ready to bloom. Prices from 2.00  
to 3.00.

You can save money, labor and time when you visit our nursery if you bring along a picture of your house and the following measurements to the nearest half foot:

1. Measurement of width of doors, stoops, windows, etc.
2. Height of window sill from ground.
3. Width of all outside wall spaces between windows, doors, etc.
4. Direction house faces.

Example:

If you are interested in an over all planting to be executed now or over a period of years, a telephone call will bring one of our competent landscape designers to make measurements and prepare plans. In either case we do not charge for plans and are always pleased to advise. From plans suggested you may contract with us for work to be done or plant your own material with our supervision.
